13. As part of Gecko Garden School’s health and safety procedures, all visitors must carefully read and agree to the health and safety guidelines before entering the school.

**General Health and Safety for Visitors**

- Anyone without an appointment will not be allowed into the school.
- Visitors are restricted to outside of school hours.
- Visitors must wash their hands with alcohol or soap and water for 40 seconds prior to entering the school.
- All staff, children and visitors will have their temperatures checked at the gate prior to entering the school. Temperatures in excess of 37.5C/99F will not be allowed into school.
- Visitors must be wearing a mask and observe a safety distance of 1.5 meters at all times.
- Any child, staff, or visitor showing signs of infectious illness consistent with COVID-19 will not be allowed to enter the school. The most common symptoms of COVID-19 include fever or chills, cough, nasal congestion or runny nose, new loss of taste or smell, shortness of breath or difficulty breathing, diarrhea or vomiting, stomachache, tiredness, headache, muscle or body aches, and poor appetite.
- Visitors whose household members are showing signs of these symptoms must stay at home until the symptoms have cleared.
- Any person who has been in close or direct contact with a COVID positive person must get tested and quarantine for 14 days. Visitors must ensure that they do not have any known direct contact with a COVID positive person within the past 14 days. Visitors must inform the school of their travel history outside the country in the past 2 months.
- Disclosure of Vaccinations of Household Members against COVID. In 2021, the government of Cambodia is strongly recommending residents to get vaccinated against COVID. Parents and visitors must inform the school of their household members and indicate the dates of the vaccination. Photocopy of the vaccination cards or certificates must be provided.
